LED Build-a-Sign

Options include hanging chains, hooks, and a flash module with speed control (0.3 to 3 flashes per second)

Each piece includes the following items:

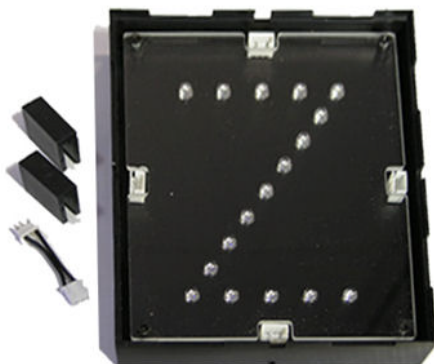

- 1 letter/digit
- 2 U-shaped clips
- 1 wire cable

The easiest way to create custom signs utilizing LED technology. Inexpensive and bright signs attract attention anywhere they are used. Can be used for trade shows, school functions, parties, church events, etc.

You can order individual alphabet, number, or symbol pieces. Number pieces can display any number from 0-9 and can be changed at the push of a button. Contact us for more information.

Specifications:

Case - 4.8" wide x 6.3" tall
Character - 3" wide x 4" tall
Power - 50-80mA per piece
Weight - 0.4 pounds

Up to 35 pieces per power supply, arranged vertically, horizontally, or in both directions.
